Plan for Safe Return to In-Person Instruction and Continuity of Services

Section 1: Introduction

The purpose of the American Rescue Plan (ARP) Act Elementary and Secondary School Emergency Relief (ESSER) III Fund is to help safely reopen and sustain the safe operation of schools and address the impacts of COVID-19 on the nation's students by addressing students' **academic, social, emotional, and mental health needs**. This plan describes how Patrick County Public Schools will maintain the health and safety of students, educators, and other school and division staff during and following the return to full in-person instruction. Questions about this plan should be directed to Jason Wood, Superintendent of Patrick County Public Schools at 276-694-3163.

To respond to the COVID-19 pandemic, Patrick County Public Schools followed CDC, VDH, and local Health Department guidance. Updated COVID-19 Quarantine and Isolation Guidance along with other COVID-19 resources are posted under the following link.

https://patrick.k12.va.us/families/covid_19

Patrick County Public Schools provided instruction in different modalities during the COVID-19 pandemic. The following list details the changes to instructional delivery based on the local health matrix and recommendations from VDH and our local Health Department.

- On July 21, 2020, the Patrick County School Board met and approved Option 1 with a blended learning model of staggered schedule and virtual/remote learning beginning on August 11, 2020.
- On August 7, 2020, the Patrick County School Board held a special called meeting to change to Option 2 which is a total virtual/remote learning model beginning on August 11, 2020.
- On August 27, 2020, the Patrick County School Board held a special called meeting to change to option 1 with a blended learning model of staggered schedule and virtual/remote learning beginning on September 14, 2020, with face coverings required on buses and in school.
- On October 12, 2020, students with disabilities and English Learners were invited to attend on a 4-day schedule.
- On January 11, 2021, students with 504 plans were invited to attend on a 4-day schedule.
- On February 1, 2021, at-risk students in grades PK - 2 were invited to attend on a 4-day schedule.
- On February 11, 2021, the School Board approved the plan to invite all students to attend on a 4-day schedule beginning March 15, 2021.

- On February 18, 2021, at-risk 3rd grade and high school students were invited to attend on a 4-day schedule.
- In March 2021, all students were invited to attend school in-person 4 days a week.
- For the 2021-2022 school year, students were invited to apply for virtual learning. All students not approved for virtual learning attended school in-person 5 days a week.
- During the 2022-2023 school year, PCPS operated fully in-person 5 days a week.
- PCPS plans to operate fully in-person 5 days per week during the 2023-2024 school year.

Section 2: Maintaining Health and Safety

Patrick County Public Schools has taken and will continue to take actions to ensure the health and safety of students, educators, and other school and division staff during and following the return to full in-person instruction. A description of actions already taken and additional actions planned are listed below. During the 2023-2024 school year, Patrick County Public Schools will operate according to current CDC guidance, which enables no masking by staff or students and eliminates social distancing as of March 23, 2022. The Patrick County Public Schools COVID team no longer engages in contact tracing in accordance with updated guidance.

Patrick County Public Schools has established a COVID-19 team consisting of division leadership. The PCPS COVID-19 team maintains close contact with the Emergency Services Coordinator, VDH, and the local Health Department. The collaboration between emergency services and school officials has included conversations with local health officials.

Attendance monitoring - PCPS will monitor absenteeism to identify trends in employee and student absences due to illness. PCPS will work collaboratively with VDH to report and monitor trends.

Communication - COVID-related policies and procedures will be communicated to staff and families via the school website, School Messenger, and/or email. Should there be an outbreak, local health officials, staff, and families will be notified immediately while maintaining confidentiality.

Health Services - PCPS health services staff will maintain non-COVID-19 health-related services for both staff and students. Health staff will be provided with medical-grade PPE. Instructional staff will participate in mental health training. School counselors will have designated time to provide social-emotional learning support.

Education - Patrick County Public Schools recognizes the importance of promoting healthy hygiene and providing COVID-19 prevention education to staff, students, and families. In order to facilitate these discussions, PCPS will utilize a variety of educational formats including training, School Messenger reminders, website postings, and posters throughout buildings.

Healthy Hygiene - Patrick County Public Schools will maintain an adequate inventory of healthy hygiene supplies including hand soap, hand sanitizer, and tissues at each school/building.

Nutrition - PCPS nutrition department will serve students both breakfast and lunch. The nutrition department will ensure all materials are properly sanitized and disinfected according to Health Department guidelines. Students will be permitted to bring their own meals.

Hygiene Practices - Patrick County Public Schools will implement cleaning and disinfecting protocols for all departments and buildings. Custodial staff will receive training on new materials and products and ensure proper storage and adequate inventory are maintained. Hand sanitizer stations will be placed in each classroom and common areas. To minimize exposure due to shared supplies and devices, Patrick County Public Schools will continue its 1:1 technology device initiative and promote individual workspace and supply use.

Systems - Patrick County Public Schools' maintenance department will ensure ventilation systems operate properly by continuing routine maintenance schedules. Water testing schedules will continue to maintain high water quality. Students will be encouraged to bring water from home.

In addition, Patrick County Public Schools utilizes safety recommendations established by the Centers for Disease Control and Prevention (CDC).

Cleaning and maintaining healthy facilities

Environmental Cleaning Procedures

The PCPS custodial staff and all designated staff follow CDC guidelines for cleaning at all school sites and school facilities: <https://www.cdc.gov/coronavirus/2019-ncov/community/clean-disinfect/index.html>

The custodial and all designated staff will clean and disinfect high-touch surfaces/areas within the school setting using EPA-approved disinfectants.

<https://www.epa.gov/pesticide-registration/list-n-disinfectants-use-against-sars-cov-2-covid-19>

All School staff will follow the manufacturer's guidelines for the correct application and use of EPA-approved disinfectants. Products will be stored properly and kept out of reach and away from children, preferably in a locked cabinet.

Routine cleaning and disinfecting will be maintained daily and as needed to provide a safe and healthy environment for faculty, students, and staff.

The Custodial staff and other designated staff will wear PPE in accordance with the PCPS OSHA/Bloodborne Pathogens Plan when sanitizing and disinfecting.

The PCPS custodial staff and other designated staff will clean and disinfect frequently touched surfaces and areas within the school setting using EPA-approved disinfectants.

The custodial staff and all designated staff will follow CDC guidelines for cleaning at all school sites and school facilities.

If a student or any staff member is suspected or has been identified as COVID-19 positive:

- Report information to school administrators or school nurses at each site. The PCPS school board office will be notified by the school nurse at each school site if they have a reported or suspected positive COVID-19 case.

Diagnostic and screening testing - PCPS works with the local health department, doctor's offices, and pharmacies to test students and staff.

Efforts to provide vaccinations to school communities - Patrick County Public Schools provided opportunities for the Moderna vaccinations to all staff. Approximately 50% of staff received both vaccinations. All students age 5 and up were given the opportunity to receive vaccinations.

Appropriate accommodations for children with disabilities with respect to health and safety policies -

- All students currently being serviced through an Individualized Education Plan (IEP) or 504 plan will continue to receive accommodations and instruction as prescribed in their plan. Should health mitigation challenges interfere with our ability to provide these services as required, PCPS will request and convene an IEP or 504 team meeting to discuss resolutions that would ensure the needs of our students are still being met. Parents may also request an IEP or 504 meeting at any time.

Coordination with state and local health officials -

- Patrick County Public School System follows the recommendations and best practice guidelines from the CDC, VDH, and VDOE.
- Patrick County Public Schools receives guidance from Dr. Kerry Gateley, Director of West-Piedmont Health District, and local Patrick County Health Department Staff regarding COVID-19 and guidelines for schools.
- Patrick County Public Schools participate in all webinars, information sessions, and training sponsored by the CDC, VDH, and VDOE.

Section 3: Continuity of Services

Patrick County Public Schools has taken and will continue to take actions to ensure continuity of services, including but not limited to services to address students' academic needs and students' and staff's social, emotional, mental health, and other needs.

Plan for school schedules - For the 2023-2024 school year, PCPS will offer in-person instruction five days a week and school schedules will not be shortened.

Technology - PCPS students will be issued devices to be used according to the current grade level. K - 3: Ipads and grades 4 - 12: Chromebooks.

Communication - Opportunities for conversations with stakeholders regarding plans and monitoring implementation are essential. Patrick County Public Schools utilizes information from division surveys to develop and refine plans within each scenario. Frequent and consistent communication from the school

division will be utilized to maintain transparency. Communication methods will include School Messenger, LMS, email, phone calls, mailings, digital communication platforms, and text messaging.

Instruction for ALL Students - Our commitment is to ensure that all Patrick County students have access to equitable educational opportunities. Patrick County Public Schools maintains a focus on equity as the center of our work as we serve all students. Vulnerable and special populations will be considered to ensure appropriate instruction while complying with state and federal requirements. Services for special populations such as students with disabilities, English learners, economically disadvantaged, gifted learners, and young learners will be considered based on specific student needs.

Identification of Instructional Gaps and Student Needs - PCPS will use a variety of formative assessments including CIP early benchmarks, running records, Brigance, PALS, VKRP, teacher-created assessments, etc. to measure learning gaps and needs. Professional development will be provided to address instructional needs. Remediation will be provided using small group instruction, one-on-one instruction, tutoring, and online interventions.

Social-emotional learning is critical to re-engage students, rebuild relationships and school communities and create equitable learning environments for all students. Training will be provided for all instructional staff in the area of mental health and well-being. School counselors will have dedicated time to provide social-emotional learning support. Patrick County Public Schools will utilize existing PBIS strategies to support social-emotional learning and foster student confidence and competence. Formal and informal strategies may include morning meetings, advisory periods, PBIS strategies, counseling sessions, etc. Using data from both formative assessments and social-emotional assessments, teachers will revise curricula/pacing to address missing content as a result of extended school closures.

Special consideration will be given to missing content from the previous year, identification of content connections between grade levels, and student progression toward learning goals. Vertical planning within schools will allow teams to identify and ensure missing content is presented to students in a variety of formats.

Section 4: Opportunity for Public Comment

In developing the ARP ESSER Plan, Patrick County Public Schools sought public input and took such input into account as described below.

In May 2021, PCPS sought input from all staff through the use of a survey that asked specific questions regarding federal funds.

On May 21, 2021, PCPS conducted a parent involvement meeting to discuss the ARP ESSER Plan.

On June 3, 2021, PCPS sought additional input from the community by providing a public comment opportunity specifically for the ARP ESSER Plan

On May 12, 2022, PCPS sought additional input from the community by providing a public comment opportunity specifically for the Continuity of Services Plan for the 2022-2023 school year.

On November 10, 2022, PCPS sought additional input from the community by providing a public comment opportunity specifically for the revision of the Continuity of Services Plan for the 2022-2023 school year.

On June 8, 2023, PCPS sought input from the community during a special public comment session specifically for the revision of the Continuity of Services Plan for the 2023-2024 school year.

Section 5: Periodic Review and Revision of Plan

During the period of the ARP ESSER award (until September 2024), Patrick County Public Schools will periodically review and, as needed, revise its plan for the safe return to in-person instruction and continuity of services. The plan will be reviewed at least every six months, and Patrick County Public Schools will seek and take into account public input during the review process. Plan revisions will address updated CDC guidance on safely reopening schools if any are issued.

Section 6: Making the Plan Available to the Public

Patrick County Public Schools has taken the following steps to make this plan available to the public:

- The plan is posted at <https://patrick.k12.va.us>
- The plan is available in English and Spanish languages
- The plan may be orally translated for parents. Contact Andrea Cassell, Assistant Superintendent (276-694-3163) to request translation; and
- Upon request, a parent who is an individual with a disability as defined by the ADA may be provided with the plan in an alternative format accessible by contacting Beth Minter, Director of Special Education at (276) 694-3163.
- Any member of the public wishing to provide input regarding this plan should contact Jason Wood, Division Superintendent.
